Tel: + (832) 325-5700

Fax: + (832) 325-5799

Website: <http://www.exponent.com/>

Exponent, with its staff of approximately 800 located in 18 offices throughout the nation and 3 international offices, in 70 scientific and engineering disciplines, combines unparalleled technical expertise with the ability, when necessary, to focus this knowledge in extremely short time frames. Our multidisciplinary team of scientists, physicians, engineers, and regulatory consultants will perform either in-depth scientific research and analysis, or very rapid-response evaluations, to provide our clients with the critical information that both day-to-day and strategic decisions can require.

RECEPTION AND DINNER

CHEVRON GLOBAL GAS

1600 Smith St. Houston, Texas USA 77002

Tel: +(713) 754-7857

Fax: + (713) 754-7871

Website: http://www.chevron.com/about/our_businesses/natural_gas_business.asp

Chevron's Global Gas plays a key role in Chevron's plans to commercialize its existing natural gas resource base and develop gas growth opportunities worldwide. The Global Gas organization brings together the key businesses of worldwide natural gas marketing and trading, LNG regasification, shipping, pipeline, power and gas-to-liquids that link with Chevron's upstream to create energy value chains connecting natural gas resources to markets.

ExxonMobil

EXXON MOBIL CORPORATION

5959 Las Colinas Blvd. Irving, Texas USA 75039

Tel: +1 (972) 444-1000

Fax: +1 (972) 444-1466

Website: <http://www.exxonmobil.com/>

ExxonMobil participates in LNG operations in Qatar and Indonesia with a combined gross capacity of 30 million tons per year, shipping LNG to customers in Japan, India, Korea, Europe, and the United States. This represented about 20 percent of the global industry capacity. By 2015, sales are expected to increase to nearly 80 million tons per year. ExxonMobil is participating in the development and construction of world-class LNG regasification terminals in Wales (South Hook), offshore Italy (Adriatic), and the U.S. Gulf Coast (Golden Pass).

JONES DAY

717 Texas, Suite 3300 – Houston, Texas USA 77002-2712

Tel: +1 (832) 239-3939

Fax: +1 (832) 239-3600

Website: <http://www.jonesday.com/>

Since 1893, Jones Day has grown, in response to our clients' needs, from a small, local practice to a truly global firm with more than 2,200 lawyers in 30 offices around the world. Today, Jones Day is one of the most recognized and respected law firms in the world, and we count more than 250 of the *Fortune* 500 among our clients.
