TIME IS MONEY

The FLSA (Fair Labor Standards Act) *and* Law Enforcement Employment

Jeffrey Chamberlain, Esq.

A critical and timely publication on the Fair Labor Standards Act and how it affects law enforcement personnel will be available for purchase in the Fall of 2009. Designed as a working FLSA reference, it will be of value to law enforcement officials, personnel administrators, municipal attorneys, and police legal advisors. According to one Major-City Chief:

"This is one of those rare books that every police leader ought to have reviewed and needs on the shelf close at hand ... After 14 years as a police chief in four different cities... I can only note that I wish this book had existed when I first started as a chief."
