

# **Institute for Law Enforcement Administration**

## **Mission Statement**

The mission of the Institute for Law Enforcement Administration is to provide advanced administrative education programs to the law enforcement community.

In support of this mission we are committed to:

- Serving as a major resource for advanced seminars and courses not offered by local or regional training academies and facilities.
- Excellence in the administration of justice for professional law enforcement administrators through state-of-the-art technical assistance and research.
- Serving as a forum which brings together theory and practice in creative and dynamic ways.
- Meeting the needs of local, state, national and international constituencies through education and research activities.
- Nurturing the process leading towards professional status for law enforcement administrators as part of the public sector.
