

Julie J. Robertson

Julie Robertson has extensive experience in the oil and gas industry and a wealth of knowledge of the drilling services sector from her over 40-year career and various roles with Noble Corporation plc, a publicly traded company and one of the world's largest offshore drilling companies.

Ms. Robertson served in the role of Executive Chairman of Noble from May 2020 until her retirement from Noble in February 2021. Ms. Robertson previously served as Chairman of the Board, President and Chief Executive Officer of Noble and in various other management roles for Noble and its subsidiaries, including (i) Executive Vice President from 2006 to January 2018, (ii) Senior Vice President - Administration from 2001 to 2006 and (iii) Vice President - Administration from 1996 to 2001. Ms. Robertson also served continuously as Corporate Secretary of Noble from 1993 until assuming the Chairman's role in 2018. Ms. Robertson joined a predecessor subsidiary of Noble in 1979.

Since 2019, Ms. Robertson has served as a director of EOG Resources, Inc., a publicly traded company and one of the largest crude oil and natural gas exploration and production companies in the United States. Ms. Robertson is currently the Chairperson of EOG's Compensation and Human Resources Committee and previously served as the Chairperson of EOG's Nominating, Governance and Sustainability Committee.

Ms. Robertson is also Chair of the Board of Seadrill Limited, a publicly traded, worldwide provider of offshore oil drilling services; a director of Superior Energy Services, Inc., a worldwide provider of specialized oilfield services and equipment; and a director of Patterson-UTI Energy, Inc., a publicly traded provider of drilling and pressure pumping services, directional drilling, rental equipment and technology to the oil and gas industry.

In addition, Ms. Robertson is a board member of Spindletop Charities, Inc., a Houston area non-profit dedicated to serving children in need. Ms. Robertson is also a board member of the Houston Methodist Cancer Center and Advancing Women in Energy, an organization whose aim is to recruit, promote and empower women in energy, energy-related fields, and those interested in energy through education, networking and mentoring.
