

A message from co-chair Santo (Sandy) Bisignano, Jr. (Bisignano Harrison Neuhoff LLP):

"What a great course! I know of no other three day program like it in the nation. It should be on the "must attend" list for every trust officer, lawyer, CPA, and financial planner who wants [and needs] to understand the basics of estate planning. I attended the course 34 years ago. It is an honor to keep the tradition alive. Hope to see you in February.

Sandy Bisignano"
