Evidence Boot Camp

A Program For The Defense

May 14-15, 2013

This will be an exciting program for both the faculty and attendees. It is focused on capital trial issues, but should be valuable to all defense lawyers. The course will be directed by Jerry Howeth, an Austin attorney, who is recognized as an expert in Texas evidentiary law. Participants will learn not only how to apply the rules of evidence in very practical situations, but will be exposed to Jerry's unique method of understanding the Texas Rules of Evidence. The program will consist of lectures and break-out sessions where attendees will apply the rules of evidence. Your level of practice will not be the same after this program.

at The Center for American and International Law | Plano, Texas

With the exception of faculty, and Texas Judges, attendance is limited to defense attorneys and those who directly assist them in Criminal Defense Litigation.

This course is funded by a grant from The Texas Court of Criminal Appeals.
