

COVID-19 SAFETY PROTOCOLS for ALL PROGRAM ATTENDEES

The Center for American & International Law (CAIL) requires the following protocols be observed for **ALL Criminal Justice programs** (Defense, Prosecution and/or Actual Innocence).
Guidance will be reviewed and updated as necessary [v 1/31/2022]:

NOTE: Public guidelines may change before a conference and attendees will be expected to follow any new requirements set by the venue and/or CAIL. Although we are excited to resume in-person events, risk from COVID-19 cannot be reduced to zero, even for those who are fully vaccinated. By attending any in-person event, attendees acknowledge and accept the corresponding risk of exposure.

Additionally, bear in mind that individuals are at different comfort levels with social interaction, even when fully vaccinated. Please respect the boundaries set by each individual, including closeness during conversations and physical contact, such as hand shaking, and be mindful of CDC recommendations on matters such as hand washing.

Please do not attend in-person if you are unable to comply for any reason ([email us](#)).

1. Where requested or required by CAIL, wear a mask with the best fit, protection, and comfort for you, while indoors, in the conference room, or anywhere you cannot stay 6 feet away from others.
2. CAIL requires that all unvaccinated persons wear a mask covering the mouth and nose while in our building.
3. You may not attend in-person if at the time of the conference:
 - You are experiencing or exhibiting any [COVID-19 related symptoms outlined by the CDC](#);
 - You have recently been exposed to a person with a positive and confirmed case of COVID-19; or
 - You have been diagnosed with COVID-19 and are not cleared as noncontagious by state or local public health authorities or by a physician.
4. Everyone entering the building for the first time this year will be required to sign a COVID-19 Risk Waiver.
5. Faculty who are actively teaching, will have the option to remove masks when and while maintaining a 6-foot or more distance from others in the classroom (at the podium).
6. Anyone who develops symptoms related to COVID-19 while at our building should notify CAIL program staff in-person or [notify us via email](#). If onsite, they will be isolated until appropriate transportation to home and/or doctor can be obtained. Appropriate individuals and/or health authorities will be notified, and their guidance followed, while following HIPAA.
7. Limited supplies including a digital thermometer, disposable gloves, disinfectant spray and/or wipes, masks and hand sanitizer will be available onsite (see CAIL staff).
