

## **About Us**

The Center for American and International Law, then called the Southwestern Legal Foundation, presented its first Intellectual Property Law Conference in 1962, and has done so every year since. The Institute for Law and Technology (ILT) was added as a CAIL institute in 2003, and in addition to the annual IP Law conference in 2017 it started presenting an annual Cybersecurity and Data Privacy Law Conference.

ILT's mission is to provide superior educational and professional opportunities for lawyers and other professionals, including facilitating the study of evolving issues and ideas, in intellectual property and technology.

## **Our Members and Leadership**

Academics, in-house counsel, private practitioners, and business professionals in the fields of intellectual property law and technology are invited to become ILT members. Members are entitled to serve or to appoint one or more persons to serve on the Institute's Advisory Board, depending on the membership level. Advisory Board members are entitled to tuition-free attendance at the Annual Intellectual Property Law Conference, the Annual Cybersecurity and Data Privacy Law Conference, periodic free member webinars, and discounted attendance at all other Institute programs.

The ILT Executive Committee is chaired by Justice John G. Browning (Spencer Fane LLP).

## **Young Technology Professionals**

The Institute encourages the participation of individual attorneys, experts, and other professionals and industry participants who are under the age of 40 or have less than 8 years of practice or work in their field.

There are a variety of ways for young professionals to join the Institute: by joining individually as an Associate Member and thus joining the Advisory Board; by designation to the Advisory Board by his or her member employer; or by joining individually as a Young Technology Professional Member. Each option entitles young professionals to participate in all programs and other activities of the Institute's Young Technology Professionals Committee (YTP). In addition, YTP Members receive the discounted conference registration rate paid by employees of sustaining and supporting members.

## **For More Information**

Whatever membership option suits you or your organization best, you will find that the monetary cost of membership in the ILT is far outweighed by the financial, educational, and professional benefits received.

For more information, please see the full description of membership levels and benefits on the following pages and visit the ILT online at [www.cailaw.org/ilt](http://www.cailaw.org/ilt)
