FOR THOSE WHO MAY HAVE MORE TIME TO ENJOY KRAKOW, I WOULD RECOMMEND:

Rynek Underground Museum:

Walking between the Cloth Hall (Sukiennice) and the Saint Mary Church one may not realise that hidden away a few metres under ground is a treasure trove of knowledge about Krakow spirit. To discover it, just have to step down into the Rynek Underground.

TRANSPORTATION

The most of attractions (except Wieliczka) are located in the walking distance. The public transportation is well developed and modern. Due to the traffic jams, using a tram is the most efficient way of transportation.

Here you get some tips how to get to Krakow from Airport:

<http://www.krakowairport.pl/en/passenger,c70/transport,c313/how-to-get-to-krakow-airport,c314/>

The taxis at the airport are licensed. You can also use a train or bus. The airport is rather close to the City.

LOOKING FORWARD TO SEE YOU IN KRAKOW !
